AMENDMENT AND RESPONSE

Sir:

With regard to the Office Action mailed December 19, 2002, please amend the above-captioned application as follows:

IN THE CLAIMS:

Please amend claim 63 as follows:

63. (Amended) A continuous method of descaling a layer of scale on an advancing metal surface without the use of caustic materials, said method comprising:

- advancing a metal surface along a predetermined path of travel;
- cracking the layer of scale by spraying smooth-edged media under fluid pressure at the surface of advancing metal; and
- abrading the cracked layer of scale to remove the scale, thereby forming a descaled metal surface.

Please cancel claim 68 without prejudice to the subject matter thereof.
